

DRIVER CERTIFICATION

Document ID:	HAT Health & Safety Performance Standards	Revision #:	1	Status:	Final	Effective Date:	4/2/25
Document Owner:	Facility Manager	Created By:	Facility Manager				Page 1 of 5
THIS DOCUMENT IS THE PROPRIETARY PROPERTY OF HUDSON ASPHALT TERMINAL, LLC. THIS IS NOT TO BE USED OR REPRODUCED WITHOUT THE WRITTEN CONSENT OF HUDSON ASPHALT TERMINAL, LLC. RESPONSIBLE CARE SHOULD BE TAKEN TO SAFEGUARD THIS DOCUMENT FROM ANY THIRD PARTY. ANY COPYING, TRANSMITTAL, OR USE EXCEPT FOR WHICH IT IS LOANED IS PROHIBITED UNLESS WRITTEN PERMISSION IS OBTAINED.							

This program is designed to communicate the minimum expectations for drivers who are involved in the product transfer processes at the HAT facility located in Hudson, CO. It is the intent that the procedures and requirements set forth will allow us to load and unload products in a manner that is safe to personnel and to the environment.

- Letter to the carrier to communicate minimum expectations of Hudson Asphalt Terminal Driver Certification Program.

- **Minimum Required PPE:**
 - Hard Hat
 - Safety Glasses w/Side Shields that meet Z87 Classification
 - Long Sleeve Cotton Shirt
 - Long Cotton Pants
 - Leather Work Boots w/Slip-Resistant Soles
 - Gauntlet Style Leather or Rubber Gloves designed for handling high temperatures
 - Face Shields – while transferring product and handling hoses.

- Prior to loading and upon the completion of the **Loading Request Form** it must be deemed the product being loaded is compatible with the product heel on the trailer.
- This is accomplished with a **Product Compatibility Chart** located at the scale office.
- There will be no exceptions to the **Product Compatibility Chart**.
- The hazards that will be identified are:
 - **Wet Trailers / Cutback Trailers**
 - Trailers that are going to load hot products such as AC or PMAC that may have last contained emulsion. A danger of rapid steam expansion and product ejecting from the trailer exist.
 - **Incompatible Materials**
 - Trailers that may have contained **Fuel Oil or Crude Oil**.
 - Trailers that may have contained **Chemicals or Cutbacks**.

- Materials Safety Data Sheets are available at the Scale Building or the Main Office.
- Should you require a copy of an MSDS please request one when completing the Loading Request Form or you may obtain a copy by call the office at 720-764-8400.

- All drivers performing work on Hudson Asphalt Terminal property are expected to act in a **Professional** and **Proactive** manner.
- **No Smoking** in the facility. **This means no smoking in a vehicle while waiting in line. All smoking materials must be extinguished prior to entering the facility.**
